We had several guests compliment the event, particularly how delicious the food was and how friendly and nice the servers and bartender were! We were impressed with the efficiency of service also. Please pass along our gratitude to Chef Tom and his staff for a wonderful evening!

FURTHER IMPROVE YOUR EXPERIENCE

Parking Lot Refurbishment

We make sure to keep our parking lots in top-notch shape, and that can be a big task with over 800 **free** parking spaces. To end the summer off strong, we had our main parking lot resurfaced and painted. Our main parking lot and parking garage provide direct, covered access into the Main Level, with the parking garage also providing direct, covered access into the Lower Level and Exhibit Hall area.

Our parking garage has not been neglected from upgrades either, additional directional signage for drivers and guests walking into the building improve your ease of access into our facility.

"Top of the Hill" Sign

Directional signage within the parking area is great, but how do our guests know which parking lot to go to? Luckily, we thought of that! In June of this year, we had a new digital marquee installed at the top of the hill as you arrive at our facility. This sign is used to welcome our guests and direct them to the parking area closest to their event. It will also thank you for allowing us to be of service!

EMPLOYEE SPOTLIGHT

EMPLOYEE OF THE MONTH

SEAN GIBSON

We'd like to highlight one of the most cheerful Kitchen Staff, Sean Gibson ! He works hard to ensure that our Dishes are cleaned & sanitized for you! Most Tuesday's, you will find Sean, in the Dish room giggling away, as he enjoys doing his part to help to ensure a successful Event. Sean is a vital part of our Team & he always puts a smile on our faces. Sean, "thank you for being a friend"!
